

People Round up Q1

Welcome to

THE **A** TEAM

We are thrilled you
have joined us.

🚀 Racing into 2024: Our A-Team's Turbocharged Growth in Q1 🚀

Hey there, A-Team pals! ✨

Can you feel the energy? We're revving up our engines and zooming full throttle into 2024, and boy, has Q1 been a wild ride! 🎉 Let's buckle up and take a spin through all the awesome stuff that's been happening in our neck of the woods.

First things first – let's talk about growth! 🌱 We've been welcoming new faces left, right, and centre, as our team gears up for the adventures ahead. In the spirit of 'Racing to 2024', we've had a speedy influx of five fabulous folks joining our crew right at the start of the year. 🚗💨

In January, we rolled out the red carpet for none other than **Jack Kirby!** 🎉 Hailing from the esteemed halls of Oxford University with a degree in Earth Science, Jack's got his sights set on shaking up the renewable energy scene. And guess what? He's already off to a cracking start with two stellar placements under his belt in Q1! 🌍💡

February brought us a trio of fantastic additions to our dream team! Give a warm welcome to **Sarah Gibbs, Rokhaya "Rocky" Tall,** and **Danielle Breen** – our latest recruits ready to dive headfirst into the world of A-Team adventures. ✨

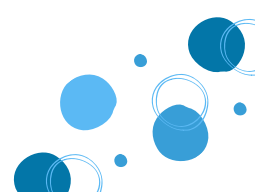

New people!

Sarah Gibbs brings a wealth of expertise to our team, boasting fluency in French, Spanish, and English. 🌟 Her exceptional communication skills have been instrumental in fostering strong relationships with our clients and candidates, ensuring a smooth and seamless experience for all. 💬👛 Sarah's dedication to service excellence and her proactive approach to problem-solving have set a high standard for our team. 🌟🚀

Exciting news alert! 🎉 The medium-term plan for Sarah is to transition her into the role of Account Manager, with a special focus on our French clients. 🇫🇷 In this capacity, she'll be leveraging her language skills and industry knowledge to strengthen our partnerships and drive growth in key markets. 📁💡 We are really confident of this move based on Sarah's early contributions and underscores our commitment to recognizing and empowering talent within our organization. 🍷🥂 Let's raise a toast to Sarah's well-deserved transition and wish her continued success as she embarks on this exciting new chapter with the A-Team! 🎉🚀

Next up in February, we welcomed Rokhaya "Rocky" Tall to our growing family. 🌟 Rocky made the move to Manchester from Bristol after hearing about the city's buzzing atmosphere – and let's just say, she hasn't been disappointed! 🎉 With a degree in accounting and finance from the University of Exeter Business School and previous experience in property management, Rocky was drawn to Applica's success and international presence. 🌍🌟

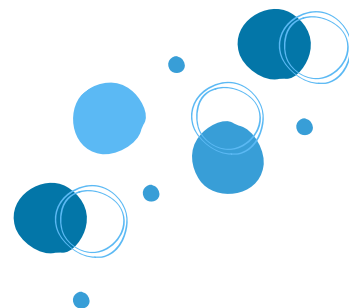

As a bilingual individual fluent in French, Rocky saw the perfect opportunity to leverage her language skills and contribute to our global endeavours. 🌟 She's thrilled to be part of a company that's not only growing but also embracing diversity and offering endless opportunities for personal and professional development. 🚀 With her infectious enthusiasm and determination, Rocky is ready to rock and roll with the A-Team!

We welcomed Danielle Breen to our ranks in February. 🌟 Hailing from Galway, Ireland, Danielle brings over a decade of compliance expertise to the table. She began her career in the hospitality industry before transitioning into recruitment, where she's been working in compliance for the past decade. 📝 Now, as our Operations Manager, Danielle ensures we're fully compliant with government legislation and client requirements. From right-to-work checks to document validation, she's the backbone of our operations, ensuring everything runs smoothly and by the book. 📁💡

But Danielle's role goes beyond just ticking boxes – she's also our go-to guru for all things legislative. 📁💬 Keeping her finger on the pulse of ever-changing legislation, she advises the team on updates and implements changes seamlessly into our day-to-day operations. 🔄 Her dedication to excellence and her commitment to our clients and candidates make her an invaluable asset to the team. Let's raise a toast to Danielle's expertise and dedication as she leads us towards even greater heights in the months to come. 🥂🥂

And just when you thought the party couldn't get any better, March swooped in with one final surprise – the arrival of Joshua Hallett! 🎉 With experience in the accounting and finance recruitment sector, Josh is no stranger to the world of talent acquisition. However, he's ready to spread his wings and explore new horizons beyond the Greater Manchester area. Joining Applica presents him with the perfect opportunity to broaden his skill set, especially now that he's been assigned to the engineering discipline for the UK, EU, and Norway. 🌍🔧 This challenge is exactly what Josh has been searching for, and he's ready to tackle it head-on!

Phew! What a whirlwind start to the year it's been! 😄 But you know what they say – the more, the merrier! Here's to embracing the thrill of the race and charging full speed ahead into the rest of 2024. Stay tuned for more updates, adventures, and plenty of A-Team pizzazz! 🌟 Let's keep the momentum rolling, team!
